PERSHING 72

PERSHING 72 - LEGENDARY

LEGENDARY is a 22 meter long Pershing 72 with a full refit in 2018. The Pershing 72 needs no introduction, designed by Fulvio De Simoni, with an interior as iconic as the boat itself. One of the unique features of the boat is that the glass window and saloon door that separates the saloon from the cockpit is completely hidden. This ingenious design allows the cockpit and salon to flow into a single space for daytime or evening entertainment. A unique feature of Pershing. In addition, we must highlight the LEGENDARY crew, made up of 2 professionals who offer service on board as if it were a megayacht of more than 40 meters in length.

LEGENDARY can accommodate 12 passengers by day, ideal for day charters, and up to 7 passengers by night in 3 cabins. The Master cabin has a double bed and has a lot of natural light thanks to the large windows in the hull. The VIP cabin, located in the bow, with a double bed also and a spacious bathroom on the port side. And the twin cabin (convertible to double) with two single beds and an extra bunk, which has a bathroom that also serves as a day head. The three LEGENDARY crew members (captain, stewardess) ensure a service on board that no other boat of the same length can offer in Ibiza
